

4660, 4660-HD & 4660-2

Stationary Compactors

These compactors were designed to provide higher payloads. In combining the large 46" x 60" opening, incline ram and the deep penetration, you have the industry's finest high density 2 yd. machines.

Power Unit

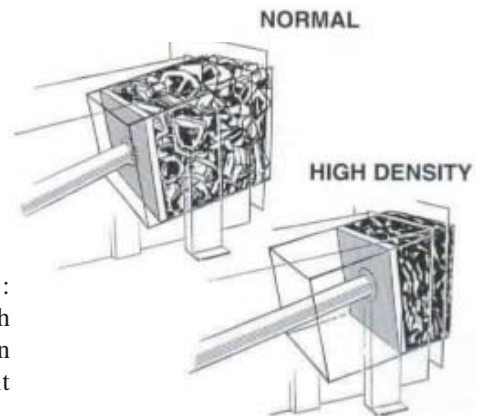

The power unit is energy efficient featuring 100% brand name off-the-shelf components.

Control

The operator station includes: safety key lock, pull to start; push to stop; full container light; and can be mounted in any convenient location.
